# March Madness!

Remember the old saying, "April Showers brings May Flowers?" Well we couldn't wait to get those gardens growing! During the month of March we will be doing a tenant drawing to win a basket full of gardening supplies!

What are hand controls? Hand controls allow people with disabilities to drive a vehicle using their hands rather than their feet. DADC (Driving Aids Development Corp.) alters vehicles so that wounded warriors as well as everyday people are given the chance to drive again. U-Stor-It is a proud sponsor of DADC and everything that they

do. Please visit their website at [www.drivingaids.com](http://www.drivingaids.com) to learn more about what they do and the current projects that they are working on.

## Buy Local COALITION

U-Stor-It is proud to be a part of the Buy Local Coalition! Please shop locally every chance you get and help to promote our local small businesses! Check out their facebook at [www.facebook.com/BuyLocalTodayPA](http://www.facebook.com/BuyLocalTodayPA)
