Plus you will get 1/2 off the 1st 2 Months. So let us help U-Stor-It with confidence until the summer is over and its time to go back to school.

Ten Thousand Acts of Kindness

Don't forget to support 10,000 Acts of Kindness. We are Ambassadors, so if you see someone doing a meaningful or tangible act of kindness to give us their name so we can give them a coin for a seat at the dinner table on June 30, 2019 in Penn Park with one and a half miles of tables.

Why are people always tired in April?

Because they've just finished a March

DIY Easter Egg Wreath

Materials:

- 12" Grapevine Wreath Form
- 26 (or more) Plastic Easter Eggs
- Hot Glue and Hot Glue Gun
- Green Shredded Paper Filling

Steps:

- Use hot glue to add a generous amount of glue to the egg and gently press it into the wreath form.
- Continue to add eggs until the entire form is covered. Once wreath is covered with eggs, double check to make sure they are all stuck well onto the form. Gently tap each one and if one is loose, add additional hot glue.
- In the vacant spaces on the wreath, add dollops of hot glue and press small handfuls of shred paper into the glue. (Don't worry not all the paper will stick to the glue)
- Continue to add paper shreds until entire form is covered. Gently comb through the paper with your fingers making sure to remove any loose pieces. Add glue and paper to any spaces that you may have missed or that is lacking paper. **Hang as desired!!**
