It's Time to Clear the Clutter

During the month of February we would like to help you clear your clutter. Some times we just feel the need to de-clutter our homes. While doing so, you might come across a lot of things that you would like to throw/give away. However, there will be a few items that you want to keep, yet do not have the space in your home for them. In such cases, a self-storage unit can offer you a better solution. This way, you can clear your home and still have access to them, at anytime.

After all, it's your life let us help U-Stor-It with confidence.

Ten Thousand Acts of Kindness

U-Stor-It is Proud to be Ambassadors for the 10,000 Acts of Kindness. Their mission is to promote unity through kindness, and help fulfill Dr. Martin Luther King's dream of the table of brotherhood, and to claim York as the Kindest place in America. We are going to help them and so can you. A recognized act of kindness is an impulsive or planned act that takes time and effort and benefits others in a meaningful or tangible way. We will be helping give coins out to people we see doing a meaningful or tangible acts of kindness for a seat at the dinner table for 10,000 to be served at one time. This celebration to be held June 30, 2019 in Penn Park with one and a half miles of tables. So if you see someone doing an act of kindness let us know and we will get them a coin.

Just a Reminder

Both facilities follow the school
closing & delay.

South Queen St location - will
follow *Dallastown Area School
District*

North Sherman St location - will
follow *Central York School District*.

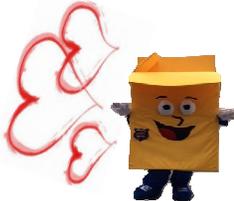

If they are closed we will also be closed. If they
have a delay we will have one as well.

Mini Heart Pizzas

Pizza dough
Sauce
Shredded Mozzarella Cheese
Pepperoni
Flour, for dusting your work surface
4" Heart cookie cutter
1" Heart cookie cutter

Preheat oven to 450°. Remove the pizza dough from the freezer
let it sit out for 30 minutes to come to room temperature.

Use a 1" heart shaped cookie cutter to cut out pepperonis.
*(I found it easiest to flip the cookie cutter upside down and press
the pepperoni into the cutter)*

Sprinkle your countertop or cutting board with a little flour.
Place the room temperature pizza dough on top and use the 4"
cookie cutter to cut out the dough.

Place about 1 tablespoon of sauce in the middle of each crust.
Use a spoon to spread it around the entire surface and top with
cheese and heart shaped pepperonis

Bake in the oven for 5-7 minutes or until the crust is crisp and
the cheese is just beginning to brown. Allow it to cool for a
minute and enjoy!
