The Fight Doesn't End When They Come Home

*"They lay down their lives so that we can sleep at night, sacrifice holidays and miss special life events that we all take for granted. In 2016, we have nearly doubled care packages to our deployed troops (over 1800), supplied 425 backpacks with hygiene and clothing items to our homeless veterans, supported home coming and deployment events, and donated clothing and gifts to military families at Christmas. We need your support to continue making their life a little easier. 100% of all donations go directly to our veterans and their families. Donations are desperately needed. We cannot do what we do without your monetary support, no matter how small. Every penny counts. **Consider making us part of your charitable giving for 2018.** Send checks to P.O. Box 1238, Hanover, Pa 17331." For the Love of a Veteran.org*
